

# The Kindness Pledge for Youth

Make kindness a way of life!

I \_\_\_\_\_ have read  
**the Kindness Pledge and I understand and agree that:**

-  **Kindness can help make people's lives happier.**
-  **Kindness is a choice I can make to help others.**
-  **Kindness makes life better for everyone.**
-  **Kindness makes the world a friendlier and happier pl**
-  **Kindness helps make our community and the people who live here happier, too.**
-  **Kindness gives me a way to make my friends, my family and everyone I meet smile more.**
-  **Kindness helps me, and also helps the people I'm kind to.**
